

Comedy Night Etiquette

PLEASE NOTE

Comedy Nights require people to be able to hear what the comedians are saying, so please don't chat whilst the show is in progress.

The kitchen will close at 8pm, there will be no bar service whilst the acts are on stage. There is plenty of time for refreshments during the intervals.

Although we do enjoy a bit of audience participation, please be respectful to the acts when heckling as it can disrupt the show for other guests

Thank you for your co-operation,

enjoy the show 😊
